Event Info: Come enjoy an evening of worship, inspired by the Holy Spirit, to bring a better awareness of the graces received when reciting the rosary through art.

There will be 7 sessions which will address the 7 sorrows and the 7 graces. At this first session you will "Plan Your Garden". By the end of the sessions, you would have planted and cultivated the seeds that will grow the garden of warriors to fight the battles we face in our world today.

Our world might seem hopeless, but by the power of the Holy Spirit, the Love of Our Mother, Mary, we can arm ourselves with the best armor, the Rosary. **We have all been called, are you ready to plan, plant, and grow your garden?**

Presented by: RoseAnn Rapp, Artist

While obtaining a Bachelor of Fine Arts in Applied Design and Visual Art, RoseAnn recognized the healing powers that art provides, and she is excited to bring her knowledge to you via these sessions.
